Dear Mr Samowitz,

RE: ACCREDITATION STATUS OF ACCOUNTING MADE EASY

The Quality Council for Trades and Occupations (QCTO) was established under the NQF Act 67 of 2008 as the quality council responsible for quality assurance of qualifications and unit standards registered on the Occupational Sub-framework (OQSF) as part of the National Qualifications Framework. The Skills Development Act 37 of 2008 as amended provides for the QCTO to delegate any of its quality assurance functions to, inter alia, a SETA. In this instance, the QCTO has delegated specific functions to Fasset (SETA for Finance, Accounting, Management Consulting and Other Financial Services) as a Quality Assurance Partner, for specified qualifications and unit standards registered on the OQSF as part of the NQF.

Under the authorisation of this delegation, this letter serves to confirm that **ACCOUNTING MADE EASY** has been accredited by Fasset in the following category:

Accreditation Type	Delivery and Assessment Provider
Accreditation Start Date	9 June 2016
Accreditation End Date	8 June 2021
Accreditation Number	A585000254

Accounting Made Easy has been accredited for the following unit standard:

US ID	US Title	NQF Level	Credits
117156	Interpret basic financial systems	4	4

The accreditation status of a provider is subject to QCTO criteria and regulations. Please note that the accreditation period is dependent on the registration status of the associated qualification. Should the qualification be replaced or expired prior to the accreditation end date, this will automatically impact on the validity of the accreditation.

We trust that the information provided is sufficient. Should further information be required, please do not hesitate to contact us.
